View inventory including verified & absent

Click the **Inventory** tab on the Home screen

Do you have items in your Verified inventory that are no longer present? Perform an [Audit](#) to remove these items

## Verified status

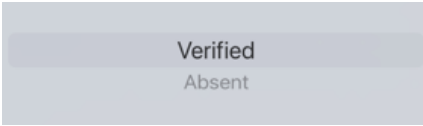

Default status is **Verified**. Verified status are items that have been scanned and added into inventory since the last audit.

The screenshot shows the Inventory app interface. At the top, the status bar displays the time 10:11, signal strength, Wi-Fi, and battery icons. Below the status bar, the app header shows the 'Inventory' logo, 'Demo Location 1', and a version number 'v.8.1'. A search bar is labeled 'Verified'. The main content is a table listing various items with their descriptions, colors, and quantities.
