

Change Customer

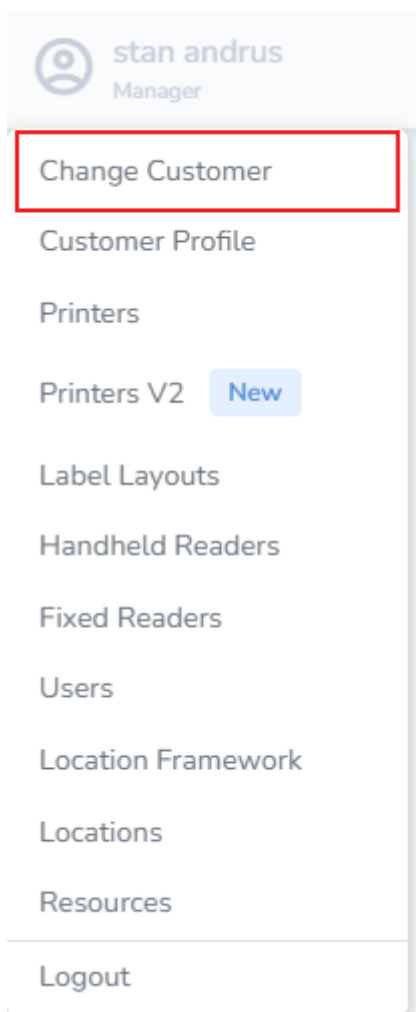

If you have more than one account in Simple RFID you will see a "Change Customer" button

Currently the system operates on two frameworks, so some pages are on the URL "web.simplerfid.com" and other pages are on "portal.simplerfid.com" This article shows how to change the vendor from both.

Portal.SimpleRFID.com

To change customer from Portal:

- Click the admin menu, then click Change Customer

- A pop-up will appear allowing you to select the vendor
