Postpone & Resume

Perhaps you want to save your print job and print it later. To do this, instead of clicking "Print" from the Print Controller, click "Postpone."

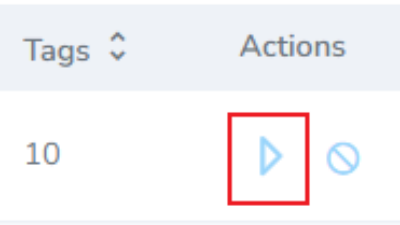

This will create a saved Print Job which will appear on the Print History

Ref ↕	Job ↕	Location ↕	User ↕	Layout ↕	Printer ↕	Started/Finished ↕	Printing Status ↕	Tags ↕	Actions
Sales 99079	75	Shop location	Stan Andrus	New layout	ZD500R-300dpi ZPL		Postponed	2	 

On the main **Printing** page, you can see the **Printing Status** of each job in the listed history.
