Create Product

To create a new product you must first select the Company Prefix you wish to use to create the item

This allows you to choose a GS1 company prefix to create an official GTIN / SGTIN, or choose a non-official GTIN or the Closed Loop prefix

- Choose the desired Company Prefix
- Click the "+" button

Create GTIN / SGTIN

To create a product using the GS1 format GTIN / SGTIN do the following:

- Enter the item's Name
- Enter the Item Reference
- Enter the SKU
- Enter the GTIN & Barcode (these can be the same value)
