

# Customer Profile

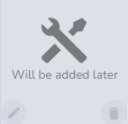

This page provides an overview of the account including:

1. Account Name
2. Abbreviation - This must be a two letter abbreviation. Example 'DM'
3. Email address where you wish to have general notifications sent
4. 'Package' indicates the your plan such as "Trial" or "Standard"
5. Brand Magic - Automatically resolve unknown GS1 products. Scanned unknown tags are converted it into a Draft products
6. Company Prefixes - Enter a company prefix to print and scan tags using the SGTIN schema
7. RFID Layouts - These are the label sizes which are available in your [Label Designer](#)
8. Order Pick Sheet - These are controls for the order pick sheet to add or hide elements
9. Save - saves changes
10. Cancel - cancels operation and navigates away from the Customer Profile page

If you don't see your label size available in the RFID Layouts list, please request that it be added via our support
