

# Label Layouts > All Layouts

Label layouts are the label designs which have been created and saved. From this page a user may also create new label designs.

1. Search window provides ability to search saved designs
2. Card for each saved design and includes Name, Label size, DPI, Saved date and time, and a preview of the design
3. "+" button located in the upper right corner of the screen to navigate to the Label Designer to create a new label design
4. Ability to import an existing design from another label editor

The screenshot shows the 'Layouts' page with the following details:

- Search:** A search bar at the top left with a magnifying glass icon.
- Buttons:** A '+' button and a 'Create from file' button at the top right.
- Layout Cards:** Ten cards arranged in two rows of five. Each card displays:
  - Design Name
  - Dimensions (e.g., 1.85 x 0.91)
  - DPI (e.g., 300 dpi)
  - Save Date and Time (e.g., 05/14/25 3:56 PM)
  - Thumbnail Preview of the label design
- Footer:** 'Lines per page' set to 10, navigation arrows, and 'Go to page' set to 1.
